

CENTRAL, EASTERN,
AND WESTERN CLOSEDiplomas Awarded to 187
Graduates.

THEIR COURSE COMPLETED

Commissioner Macfarland Master of
Ceremonies—Address Made by the
Hon. Seth Shepard.

The event in the lives of the High School students of this city occurred last night at Convention Hall, when 187 graduates of Central, Eastern, and Western High Schools were awarded diplomas and prizes for the successful and honorable completion of a four-year course of study in those schools.

A large platform, whose most prominent decoration was white, interspersed with the dark blue and white of Central, the light blue and white of Eastern, and the red, white and green of Western, was erected in the middle of the hall. On the front part of the platform many prominent school and District officials were seated. In the rear, six tiers of elevated seats were erected for the seating of the graduates.

The hall was completely filled, and about 5,000 friends and relatives of the graduates joined in generous applause when the graduates were awarded their diplomas. Members of the cadet regiment in dark blue blouses and white duck trousers acted as escorts and ushers to the vast throng, and the presence of system in their work was a noticeable fact.

During the several selections by the Marine Band the audience and honored guests were seated.

The graduates, who had previously assembled in the hallway, entered the auditorium upon the playing of "High School Cadet March." The entire audience as one person rose to greet them. On the right side of the grandstand were seated the graduates of Central, and the left end was shared by Eastern and Western.

Commissioner H. B. F. Macfarland was master of ceremonies. Following the seating of the graduates he introduced the Rev. James H. W. Blake, who delivered the invocation. "Paderewski's" minuet, "Celebre," was then played by the Marine Band.

Commissioner Macfarland delivered the introductory address. He referred to the high school graduates as being the pride of Washington, and promised, as soon as possible, school facilities for the entire school population. Mr. T. J. Hunter, cornetist of the Marine Band, then played "Levi's Whirlwind," and to an enthusiastic encore, he played "Tessie," from "The Silver Slipper."

The audience recalled him again and again until Commissioner Macfarland quitted it and said if there were no more encores he would take pleasure in introducing the Hon. Seth Shepard, of the District of Columbia Court of Appeals, as orator of the evening.

Mr. Shepard's address dealt with the development of the school system and the nation's Government, and ended with much well selected advice for the graduates.

A fantasia, "Way Down Upon the Suwanee River," was played, after which Superintendent A. F. Stuart was introduced, who, in a witty address, announced the following awards of scholarships and prizes. They are:

The Kendall scholarship of the Columbian University, Robson DeS. Brown, of Central.

The first Columbian University scholarship, Miss Louise Winifred McCoy, of Eastern.

The second Columbian University scholarship, Miss Mary Simpson Birch, of Western.

The third Columbian University scholarship, Miss Mabel Josephine Frye, of Eastern.

The fourth Columbian University scholarship, Miss Frances Gunby Bethune, of Eastern.

The fifth Columbian University scholarship, Miss Dorothea Foote Sherman, of Central.

The two scholarships to the Women's College of Baltimore, Miss Irene Kennedy Ernest, and Miss Grace Thompson, both of Central.

The Dickinson College scholarship, Miss Josephine C. Morrison, of Eastern.

The Georgetown College Medical School scholarship, John Maxwell Pearson, of Central.

The two scholarships of the Latin scientific course and the technical course, to each high school, of Lehigh University, John F. Reid and Ralph S. Archibald, respectively, of the Central; William A. Draper and Philip G. McGee, of Eastern; and Edgar P. Hulst, of the Latin scholarship, of Western.

The Phoebe Hearst Kindergarten School scholarship, Bessie Franklin Butler, of Eastern; Miss Sarah Elizabeth Goddard, of Eastern, and Miss Rachel Millard, of Western.

The medal offered by the Martha Washington Chapter, Daughters of the American Revolution, and presented by Mrs. Elizabeth B. Johnston, Miss Ethel Hann McCleary, of Central. Honorable mention, Misses Sarah E. Goddard, of Eastern; Helen Owen Latham, of Central; and Edna M. Ricketts, of Central.

The Marjorie Band then played the Intermezzo "Hiawatha." Following this Engineer Commissioner John Biddle presented the diplomas, assisted by Principals Wilson and Miss Reynolds, of Central; Principal Swartzell and Miss Holmes, of Eastern, and Principal Westcott and Miss Reed, of Western, each officiating for their respective school.

Peruna stops the catarrh and prevents the discharge of mucus. This is why Peruna is called a tonic. Peruna does not give strength by stimulating the nervous system a little.

It gives strength by preserving the mucous membranes against leakage. It gives strength by converting the blood fluids and preventing their draining away in mucous discharges.

Constant spitting, and blowing the nose will finally produce extreme weakness from the loss of mucus.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Peruna is the best medicine I know of for coughs and to strengthen a weak stomach and to give appetite. Besides prescribing it for catarrh, I have ordered it for weak and debilitated people, and have not had a patient but said it helped him. It is an excellent medicine and fits so many cases.

I have a large practice, and have a chance to prescribe your Peruna. I hope you may live long to do good to the sick and suffering.

Only the weak need a tonic. People are never weak except from some good cause. One of the obscure causes of weakness and the one oftenest overlooked is catarrh.

Catarrh inflames the mucous membrane and causes the blood plasma to escape through the mucous membrane in the form of mucus. This discharge of mucus is the same as the loss of blood. It produces weakness.

Dr. J. F. Ensor, Postmaster of Columbia, E. C., late Superintendent and Physician in charge of State Insane Asylum at Columbia, E. C., writes:

"After using your Peruna myself for a short period, and my family having used and also benefited by the same with good results, and upon the information of others who have been benefited by it as a cure for catarrh and an invigorating tonic, I can cheerfully recommend it to all persons requiring so effective a remedy."—Dr. J. F. Ensor.

Hon. C. W. Butts, ex-Member of Congress from North Dakota, in a letter from Washington, D. C., says:

"That Peruna is not only a vigorous, as well as an effective tonic, but also a cure of catarrh, is beyond controversy. It is already established by its use by the thousands who have been benefited by it. I cannot too highly express my appreciation of its excellence."—C. W. Butts.
